Description:

This is the incredible story of a sailor whose boat is caught in a storm. His food reserves get toppled and his teas and spices get blended in the process. The courageous sailor has no choice but to prepare this surprising blend. What a delicious surprise he has. This tea is a morning tea made with black tea, green tea, cinnamon, orange peels, natural orange flavouring, and seaweed. It will keep you invigorated either in your home, at work, or on your boat.
